

Delta Dental Mobile App

Manage your oral health anytime, anywhere

Your oral health is important to Delta Dental — and to your overall health! We've designed our mobile app to make it easy for you to make the most of your dental benefits. Maximize your health, wherever you are!

Search for a dentist near you, view ID cards, look up detailed claims information and more, right on your mobile device.

Features:

Find a dentist

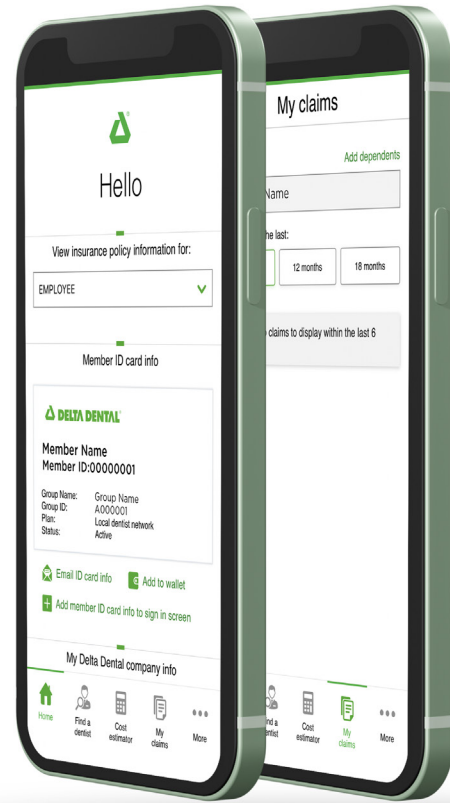

Claims details

Cost estimator

Mobile ID card

Getting Started

The Delta Dental Mobile App is optimized for iOS (Apple) and Android devices. To download our app on your device, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental Mobile App. Or, scan the QR code. An internet connection is required to download and use most features of the app.

Logging into the mobile app has never been easier.

The Delta Dental Mobile App uses Single Sign On between the Member Portal and Mobile App, meaning only one username and password for both!

Delta Dental members can sign in using the same username and password used to sign in to the member portal. If you haven't registered for an account yet, you can do that within the app. If you've forgotten your username or password, you can also retrieve these via the Delta Dental Mobile App.

Available at:

Secure access to your benefits

You must sign in each time you access the secure portion of the mobile app. No personal health information is ever stored on your device. For more details on security, our Privacy Policy can be viewed by clicking the lock icon on the main menu.
